Hey, what's up? Welcome to my live vlog feed *From Colombia to the World!* Today, I'm visiting the ¹... city of Cairo in the ²... country of Egypt. Cairo is the capital of Egypt and is located near the ³... Pyramids of Giza.

I'm having a ⁴... time, but I'm also very hot! Egypt is located in the north of Africa, so the weather is usually ⁵... and sunny: **the highest** temperatures are in summer. **Most** people speak Arabic, which is the ⁶... language, but a lot of people also speak French.

The ⁷... population of Egypt is about 92 million, of which an ⁸... 9.7 million live in Cairo. Cairo is **bigger than** Bogotá, where the population is about 7.9 million. Actually, Cairo is **the biggest** city in Egypt.

Although Egypt is a ⁹... country, it is **smaller than** Colombia. The River Nile flows through Egypt and is about 6,853 kilometres long and is **the second longest** river in the world. The Nile isn't **the longest** river in the world, because the Amazon is 139 kilometres **longer than** the Nile!
